

The NCPGC is having two Futurity Contests, one for Doelings and one for Bucklings and Wethers. Anyone anywhere in the Nation can play to win! The rules are simple. First nominate the dam. The fee is \$10.00 per futurity. This allows you to enter any or all of her kids to participate.

When the kids are born enter the Doelings and/or Bucklings/Wethers of your choice. Kids must be born in 2011. The fee is \$10.00 per kid. You may enter at any time before 12/1/2011 by filing the appropriate forms and paying the appropriate fees.

Show the kids in NPGA sanctioned shows between 1/1/2011 to 12/31/2011 to accrue points in the kid's age classes as shown in the tables below. Kids earn points for both class and championship wins. You must file a Points Accrual Form or a signed statement from the show secretary or a Points Accrual Form showing the Issue and page number of MEMO that contains the appropriate results for the points to count. Deadline for receipt of Points Accrual Forms is 1/5/2012.

The prize is half the kid nomination fees collected for each futurity.

AND MOM WINS TOO!

The dams with the offspring who accrue the most total points will be awarded 25% of the dam nomination fees. Pay out will go to the recorded owner at the time of kidding.

ROUND TWO

The contest will continue with a second round starting in 2012. Kids that were nominated and played during Round One in 2011 are eligible to continue in 2012 by paying an entry fee of \$10.00. Kids that were not nominated in 2011 can play in Round 2 by nominating their dams for \$10.00 and the kids for \$15.00.

The rules for accruing points remain the same.

Round 2 will be from 1/1/2012 to 12/31/2012.
